

# LAVENHAM PARISH COUNCIL

## Grants Policy

### Power to give Grants:

Parish Councils may award financial support to local groups and organisations within the scope of the Local Government Act 1972 Section 137. Each year the Council will be informed how much we can spend per elector on grant giving. For 2023/24 this is £9.93 per head. The 2021 census population of Lavenham was 1,922 so £19,085.

### What can be funded:

- There must be a clear benefit to a significant part of the people of Lavenham.
- There must be clearly presented evidence that local people support the project and are involved in carrying it out.
- Applications above £500 must come from groups which have Officers, a bank account and accounts. The amount of grant will be at the discretion of the Parish Council but organisations and groups will be expected to provide 50% of their own funds or grants from elsewhere to the project. Exceptions to this will only be considered where organisations provide a vital service to the whole community.
- Applications from new groups, established charities or Trusts will be considered on a case-by-case basis up to £500.
- Each group may only make one application per financial year (1 April to 31 March).
- Ongoing commitments to award grants or subsidies in future years will not be made. A fresh application will be required each year.
- Grants will be invited for consideration in May and November each year.
- The Council will determine, at its sole discretion, the Grants Budget each year and reforecast.

**Priority areas for funding: whilst all applications will be considered on their merits, key target areas are:**

- Children and young people
- People with special needs
- Older people

**Other ranking criteria:**

- There is a demonstrated need for the activity or project to be funded.
- The benefit to the area or organisation must be commensurate with the expenditure.
- The Costs must be appropriate and realistic.
- The project and the applicant have long-term viability.
- How the group is managed, the extent to which it is community-based.
- Alternative funding available: whether the organisation or could reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate, source.
- Alternative funding available: Preference will be given to schemes which have raised contributions locally.
- Groups within the Parish Council's area may apply. By exception, applications from Groups outside the Parish who can demonstrate direct and substantial benefit to the people of Lavenham may be considered on a case-by-case basis.
- Council will take into account any previous grant made to an organisation or group when considering a new application.
