				Lower Rd (Preston Rd to	1		

Date: 1st - 30thst September.

Comments as to what we have found this month:

Leaf fall increased on majority of streets due to time of the year. As normal every week and week 1 are most time consuming. A lot of time spent on spring street kerb edges.
 Cycle 4,8,13 weed killed
 Cycle 3,7,11 was very clear.
 Water street car park sprayed.
